

## KAMEHAMEHA DAY CELEBRATION TO BE UNIQUE FETE

Program Opens With Memorial  
Services in Kawaiahao  
Church Tomorrow

The Kamehameha Day Celebration Committee is ready for the celebration of the 11th of June, the day of the Hawaiian Napoleon. Kamehameha I. The celebration will be a unique affair and it will surely please the public. The program will be opened with a memorial service at the Kawaiahao Church, Sunday, June 7, at 11 o'clock a. m. The local Hawaiian organizations will attend this service in their full uniforms. The fact that this will be the first time in which the different Hawaiian organizations of the city and the delegates from the other Hawaiian organizations on the other islands have come together to open the celebration of Kamehameha Day will make the service a very interesting one. The program will be as follows:

Organ. Prelude. Organist.  
Doxology. Congregation.  
Invocation. Rev. Poepe.  
Anthem. Kawaiahao Choir.  
Scripture. Rev. Parker.  
Prayer. Rev. Parker.  
Response. The Young Peoples' League.  
Solo. Mr. Carter.  
Notices. Offering.  
Selection. The Young Peoples' League.  
Hymn. Congregation.  
Address. Rev. Akako Akana.  
National Song. Hawaii Pono.  
Benediction. Rev. Parker.  
Following the memorial services, and on June 11, the actual celebration will take place. This will consist of three distinct features:

1. A parade by all the Hawaiian organizations of the city. These organizations will assemble at Ala Park at 8 o'clock a. m. and leave there for the Palace grounds at 9 o'clock a. m. under Captain Waipa Parker. When the paraders reach the Opera House, they will turn a little to the right and march around the Kamehameha statue, which is being regilded now and which will be unveiled then. From the statue, the procession will continue, marching to the Capitol building where it will meet Kukulimoku, Kamehameha's war-god, in charge of the "Hale o na Alii." From there, it will proceed to the Waikiki side of the band stand where the paraders will be seated for the public exercises. The exercises will consist of special Hawaiian music and two orations, one in Hawaiian and the other in English, closing with Hawaii Pono. Prior to the opening of this program, the Daughters of the Warriors will demonstrate the way in which the Aliis of the different islands surrendered to Kamehameha I. The demonstration will be spectacular and interesting, and it will serve as an object lesson to many.

## DISASTER EQUALLED IN BUT FOUR MARINE HORRORS IN CENTURY

The loss of life on the Empress of Ireland has been equalled or exceeded by only four marine disasters in the past century. These were the loss of the Rhone, Wye, and other vessels at St. Thomas in the great hurricane of October 29, 1867, when 1000 persons perished; the burning of the excursion General Slocum in the East River, New York, on June 15, 1894, with a loss of 1000 lives; the terrible loss of the modern times, the loss of the on April 14, 1912, which sank colliding with an iceberg with her company, and the loss of the Kiko Maru off the Japanese coast September 28, 1912, with 1000 lives.

Other disasters that approximated in loss of life the fatality list of the Empress of Ireland were the Princess Alice, sunk in collision in the Thames river, September 3, 1878, with a loss of 700; the Ertogrud, foundered off the Japanese coast, September 19, 1890, with a loss of 540; the Utopia, sunk off Gibraltar in collision, March 17, 1891, with a loss of 574; the Norge, stranded off Rockall reef, June 25, 1894, with a loss of 600; the Bourgeois, lost in collision in the North Atlantic, July 4, 1898, with a loss of 571; the Japanese battleship Mikasa, blown up on September 12, 1905, with a loss of 599.

## PLEASANTON HOTEL PLANS ENLARGEMENT OF PRESENT QUARTERS

Owing to the fact that the rental offered is prohibitive, and also that it prefers conducting its business on a hotel basis as in the past, the management of the Pleasanton Hotel Company has announced itself as not being open to a proposition from the United States army that it become the headquarters of the Hawaiian department. On the other hand, the Pleasanton is planning extensive improvements, which will include the addition of a large wing to enlarge the facilities for accommodating guests. Bids for this work shortly will be called for.

## GOLF GOSSIP

The defeat of the American golfers in the British amateur championship is almost ancient history now, but the why and the wherefore of the matches is of interest to local golfers.

Following is the account of the third and fourth rounds, played May 29, which saw the defeat of the American cracks:

SANDWICH, Eng. — Only two of the 10 American competitors remained in the tournament for the British amateur golf championship after the conclusion of the third round today. These were Charles W. Evans, Jr., of Chicago and Harold Weber of Toledo. Several of the most prominent English golfers were still in the competition, including Harold H. Hilton, the title holder.

Charles W. Evans, Jr., of Chicago came brilliantly through the third round today and reached the next stage by beating H. W. Scott. Evans played finely through the greens and his putting showed vast improvement. Although he was two down at the fifth hole, he made the turn one up and never afterward appeared in danger. The match ended at the 16th hole when he was three up.

Tubbs, the vanquisher of Francis Ouimet, came through the third round safely, defeating Hie by 3 up and 1 to play.

Ouimet is beaten. Francis Ouimet, open golf champion of the United States, was eliminated as a contender for the British championship, when he was defeated with apparent ease by "Young" Tubbs, a boy player from a near-by course at Littlestone-on-Sea.

A huge crowd watched the match, including a large delegation of Americans. Ouimet got into difficulties on the fourth hole, taking seven strokes, while Tubbs made it in a clean four. The Englishman was never in danger thereafter, although Ouimet made a sensational three to his five on the eighth hole, and fought desperately all the way in. At the turn Ouimet was one down and Tubbs finished the round with 2 up and 1 to play.

The cards:

Out: Ouimet, 5 5 4 4 4 5 3 5—42.  
Tubbs, 5 5 4 4 4 3 5 5—40.

In: Ouimet, 5 5 4 4 4 5 3 5—41—83.  
Tubbs, 5 5 3 5 4 5 4 4—80.

Out: Herreshoff, 5 4 4 3 5 3 4 4—37.  
Platt, 5 4 3 5 4 4 5 2 4—37.

In: Herreshoff, 5 4 5 5 4 5 3 3—61.  
Platt, 5 4 4 5 6 4 4—25—72.

The card of the Herreshoff-Scott match was:

Out: Herreshoff, 5 4 4 5 3 3 3 4—36.  
Scott, 4 4 3 4 4 3 4 4—33.

In: Herreshoff, 6 4 5 6 5 4 3 4—43—79.  
Scott, 4 5 5 6 6 4 5 4—44—77.

The card of the Lockwood-Hayward match was:

Out: Lockwood, 5 4 4 3 4 3 4 5—38.  
Hayward, 5 5 4 4 4 3 3 5—38.

In: Lockwood, 7 5 4 6 5 6 4 5—42—80.  
Hayward, 5 4 5 6 5 6 4 4—39—77.

Americans Are Gloomy. The defeat of Ouimet cast gloom over the American contingent, but the cloud was partially dispersed shortly afterward by the brilliant victories of Frederick Herreshoff, New York, and Harold Weber, Toledo. Herreshoff beat J. R. Platt of the Royal North

Devon Club by 4 up and 3 to play. Weber beat K. M. Carlisle of Sunningdale by 7 up and 6 to play.

Arthur G. Lockwood of Massachusetts was beaten by 2 up and 1 to play in the third round by Mr. Hayward of Ealing.

Harold H. Hilton, holder of the British amateur cup, beat Robert Harris of Acton, England, by 2 up and 1 to play, in the third round. Harris was the runner-up to Hilton last year. Harold Weber of Toledo was successful in the third round, defeating A. Marriott by 2 up.

John Ball, eight times British amateur champion, was eliminated in the third round by Captain Hambro of the Royal St. George's Club, after playing an extra hole.

Herreshoff was beaten in the third round by 1 up, his opponent being the Hon. Michael Scott of the Royal St. George's Club.

Evans Meets MacFarlane. In the fourth round Thursday, Evans meets C. B. MacFarlane, a Scottish international, who won his way to the semi-final two years ago, and was runner-up in the French championship the same year. MacFarlane is the best player that Evans has had to meet.

Weber is drawn with Captain Cecil Hutchinson, another Scottish international, whose record is even better than that of MacFarlane.

Weber won two matches today, defeating his first opponent by 7 up and 6 to play, and his opponent in the third round by 2 up. His score going out in the morning was 36, which is considered very good, but conditions were almost ideal. Later Dr. Gillies of London, now one of the strongest favorites, made the course in 32. Weber failed to show so well in the afternoon and he took 39 to go out and 82 for the round.

Ouimet's defeat by the youthful player Tubbs of Littlestone was unexpected and proved more of a surprise than Palmer's recent victory over Jerome D. Travers for Tubbs is little known outside of Littlestone, which, however, is a first-class course.

Tubbs was "scratch" there when he was 17 years old. He has won all local competitions and played in a championship match only once before, in 1910, when he was barely beaten in the fourth round by John Graham, who last week won the St. George's grand challenge cup.

Ouimet was off in his second and third shots today. His chief weakness lay in his failure to get distance in his approach, in which he was often short.

Evans did poor work with his wooden clubs after the first nine holes, but improved in putting, which had been indifferent going out. Although several times trapped, he finished well, winning the match by 3 up and 2 to play.

Herreshoff Falls Down. Herreshoff also finished strongly in his matches. He won handily in the morning contest by 4 up and 3 to play, but in the afternoon could not quite make up his bad start against Mitchell Scott, the former champion of Australia and France, losing on the 18th green.

All the American players are planning to enter the French championship, and all except Travers will compete in the British open championship.

"Chie" Evans' mother was a most interested spectator of her son's playing today.

In England the practice is growing of filtering air for cooling electrical machinery through water curtains to exclude dust.

## WILL TALK ON ISLANDS.

A short talk by a mainland lecturer, the closing of the Tantalus road matter and the reading of communications formed the business at a meeting of the members of the Promotion Committee yesterday afternoon. John P. Clum, lecturer for the Southern Pacific, who is visiting here, told the promoters of his impressions of the islands and stated that he intends to give a series of Chautauqua lectures through the east this fall and will tell his hearers something of Hawaii. The committee on the Tantalus road matter, of which George G. Guild was chairman, was dismissed with thanks. Albert Waterhouse was appointed to ask the supervisors to continue their
